Advanced Features for a Comfortable and Connected Drive

The Tundra I-Force MAX combines strength with comfort and advanced technology. Inside, you'll find a cabin that's both spacious and feature-rich, making every drive convenient and enjoyable. Here are some highlights:

- **Hybrid I-Force MAX Engine:** Delivers impressive horsepower and torque with fuel-saving hybrid technology for powerful yet efficient performance.
- **High-Strength Frame:** Reinforced body structure designed for durability, stability, and improved off-road capability.
- **Multi-Link Rear Suspension:** Provides smoother handling and improved ride comfort, whether on highways or rugged terrain.

- **Infotainment System:** Large touchscreen display with Apple CarPlay® and Android Auto™ compatibility.
- **Premium Sound System:** Available JBL® audio system for crisp, clear sound.
- **Safety Suite:** Standard Toyota Safety Sense™ 2.5, featuring adaptive cruise control, lane departure alert, and pre-collision systems.
- **Advanced Towing Package:** Enhanced towing capacity with trailer sway control and integrated backup camera for safer, more manageable hauling.
- **Ample Cabin Space:** Roomy seating and storage options for comfort on longer drives.

These features make the Tundra I-Force MAX a reliable and enjoyable choice, whether you're tackling your daily commute or heading off on a weekend adventure.
